 - Student ID: Students must have school pic taken at school to get a school ID
- PTA Staff Appreciation Lunch: Nov 5th

Principal’s Report

Darrell Garcia

- Current LCHS student enrolment; 1857 students!
- LCHS Goal 3: We are working to expose more kids for AP and honors classes by adding more variety and increasing the number of AP and honors classes. We expect to see higher enrollment in these classes this year.

- LCHS Goal 4: Students are not feeling connected with adults on campus-survey results show that 50% of students don't feel connected so the school is working to enhance this connection
 - 91% is our current graduation rate. We want at least 95%. In order to get there we are developing tier 2 strategies to implement in the classroom and provide supports necessary for English language learners and students of color who tend to underperform at the school.
 - Bear Success center is a big success: We are seeing significant decrease-50% less- of discipline data because of bear success center by using mediation and restorative work (making individual whole instead of just dealing with discipline) focused on prevention instead of dealing with the aftermath. We want to teach mediation skills to help students resolve conflict between themselves and with staff
- PSAT and SAT Test Dates this year will be on normal school days, on a C day.
- Students don't want clear backpacks. Students feel it is an invasion of their privacy. The principal encouraged students to attend the APS Board meeting to voice their concerns as final decisions will be made by the board.
- APS Board of Education Rep for LCHS is Courtney Jackson (courtney.jackson@aps.edu) Send her an email with any concerns regarding the survey about cleared backpacks.
- The decision is school specific so even if the board passes this the school can still chose not to participate.

Teachers Report

Lansing Freeman

- Bear Success Center focuses on prevention- Because of this we haven't had as many discipline problems. This fall is a calmer start of the school year than last year due to this center and preventive efforts that the school is taking.
- Students and staff would have preferred to have more choices in the survey instead of a Yes/No question and clear bags beings the only solution

Treasurer's Report

Shauna Upp

- Budget review & handout
 - Approved
 - 2nd approved
 - Passed

Peer Tutoring Debra?

- Career day will be in the gym-Oct 20th
- PTA provided bagels to welcome the 21 new staff members this year
- Peer Tutoring: Student tutors are set in classes (30 tutors this year)
- There is a Peer tutor station in the Bear Success center for students to come get help as needed
- Tutoring is offered for English, Math, Science and Spanish

Committee Reports:

- *Banners* *Michelle Jenson*
